March and Rally • Saturday, March 30, 2019

April 4, 2019, is the 51st anniversary of the assassination of Martin Luther King, Jr. Disrespectfully ignoring Dr. King's lifelong dedication to peace, military leaders of the North Atlantic Treaty Organization (NATO) have chosen to celebrate NATO's 70th anniversary, holding its annual meeting in Washington, D.C., on that very day. This is not only an insult to Dr. King but conveys NATO's message that Black lives and indeed the lives of the vast majority really do not matter.

We are calling for a peaceful mass mobilization against this year's NATO summit in Washington for Saturday, March 30. Additional actions will take place at the opening of the NATO meeting on April 4.

We invite you to add your, and/or your organization's name to the list of supporters of the anti-NATO, antiwar and antiracism mass actions in Washington, D.C.
