FREE ICE CREAM AND TOURS OF AN HISTORIC SAILBOAT FOR PEACE!

Norwalk Veterans Park Marina- Thursday 6/1 @ 12pm-2pm

"The Golden Rule" sailed to the Marshall Islands to stop atmospheric nuclear weapons testing in 1958. This eventually led to the ban on nuclear weapons testing. The boat has been restored and is now being sailed 11,000 miles around the U.S. by a Veterans for Peace crew to warn of the dangers of nuclear weapons and how we can reduce the threat. The boat will be docked at Norwalk's Veterans Memorial Park Marina from 5/29-6/2. Stop by for a free ice cream (1 per person/while supplies last), tour the boat, and chat with the crew. Address- 42 Seaview Ave.
